Concerning docket #s

98N-1230

96P-0418

97P-0197

The FDA should prohibit the practice of forced molting. It is cruel, inhumane, and promotes disease. Cruelty & Contamination are linked! The FDA was petitioned in April 1998 to ban forced molting. This petition should be granted without further delay.

Thank you,
Sincerely,
Susan VanNuys
